"Where's your parking permit?"

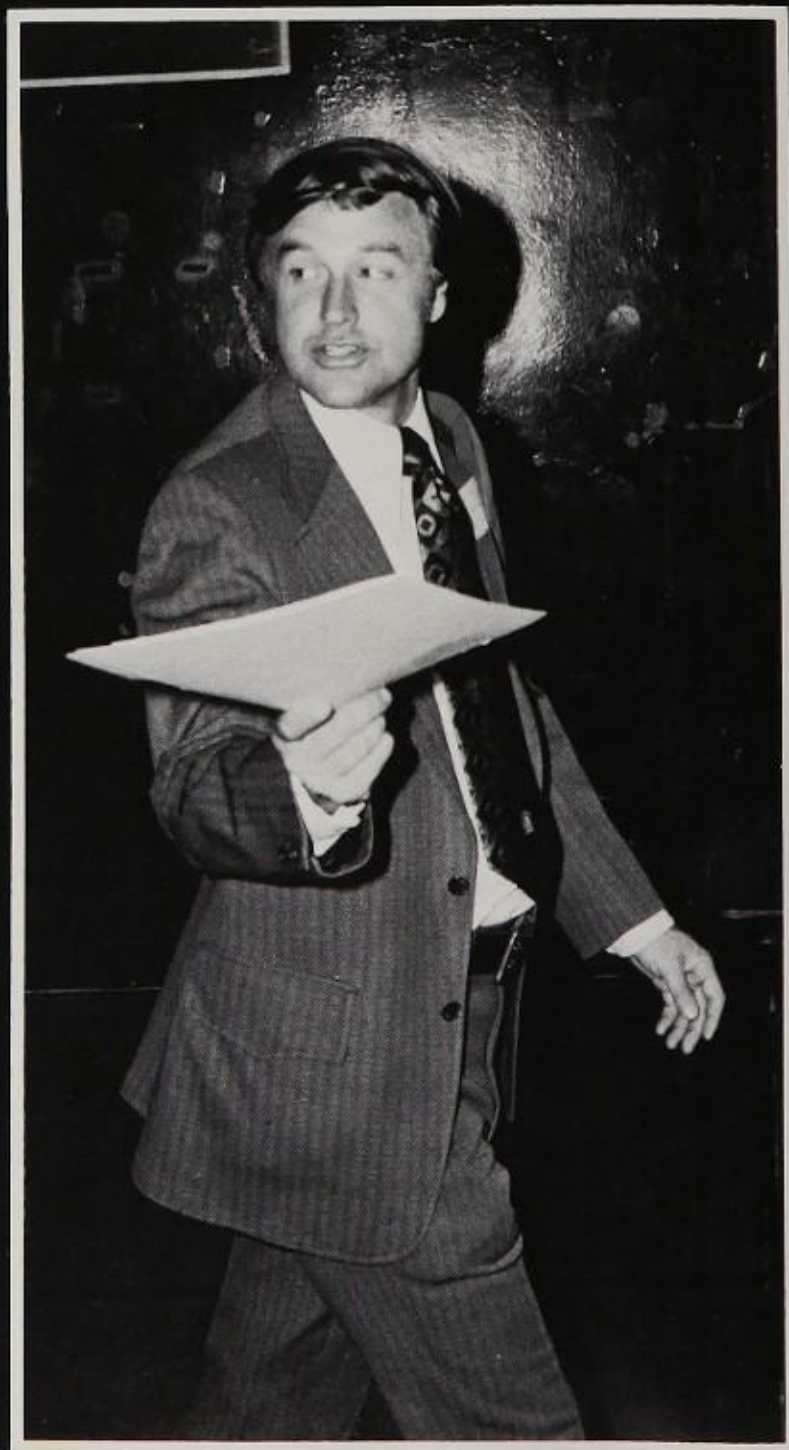

Do Re Mi Fa ...

I wish I wasn't here.

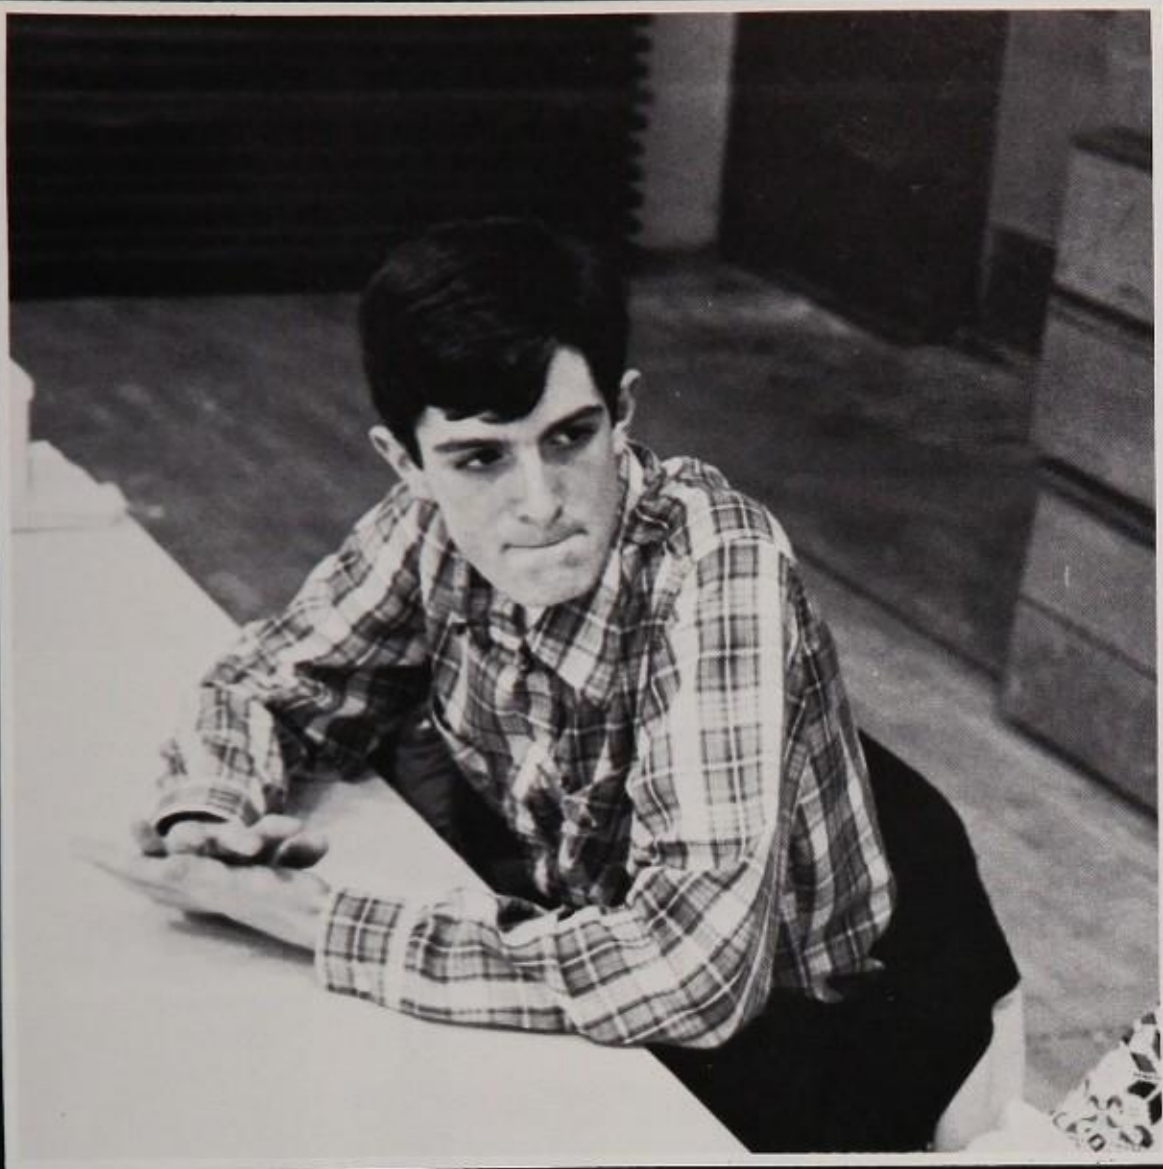

Philosophy gives you a backward view of the world.

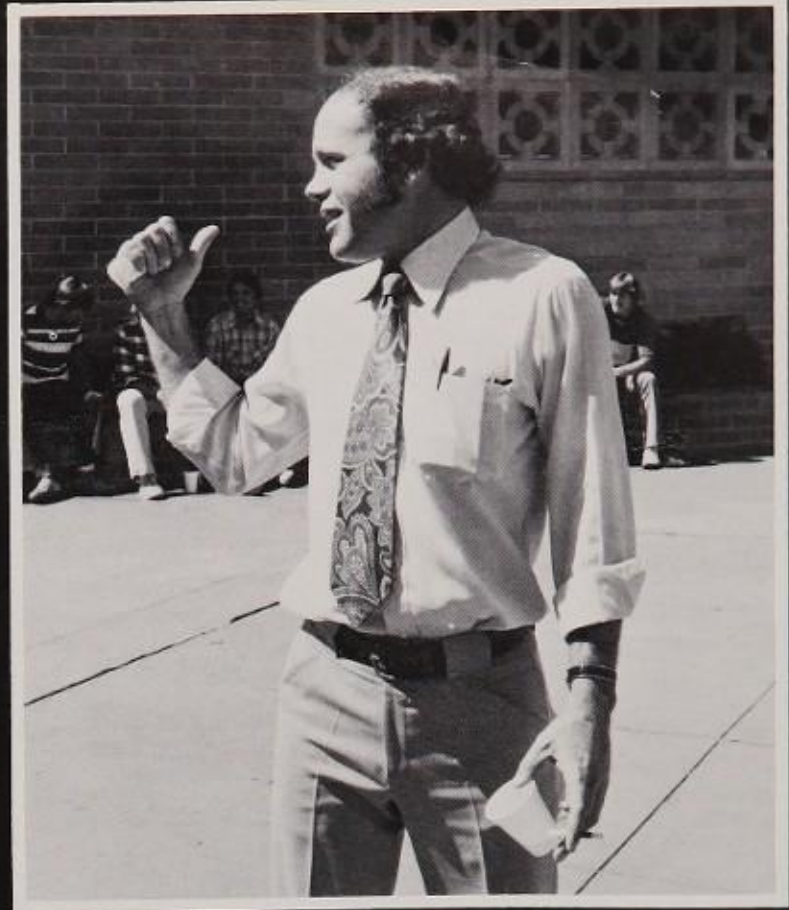

Our "Angelic" leader

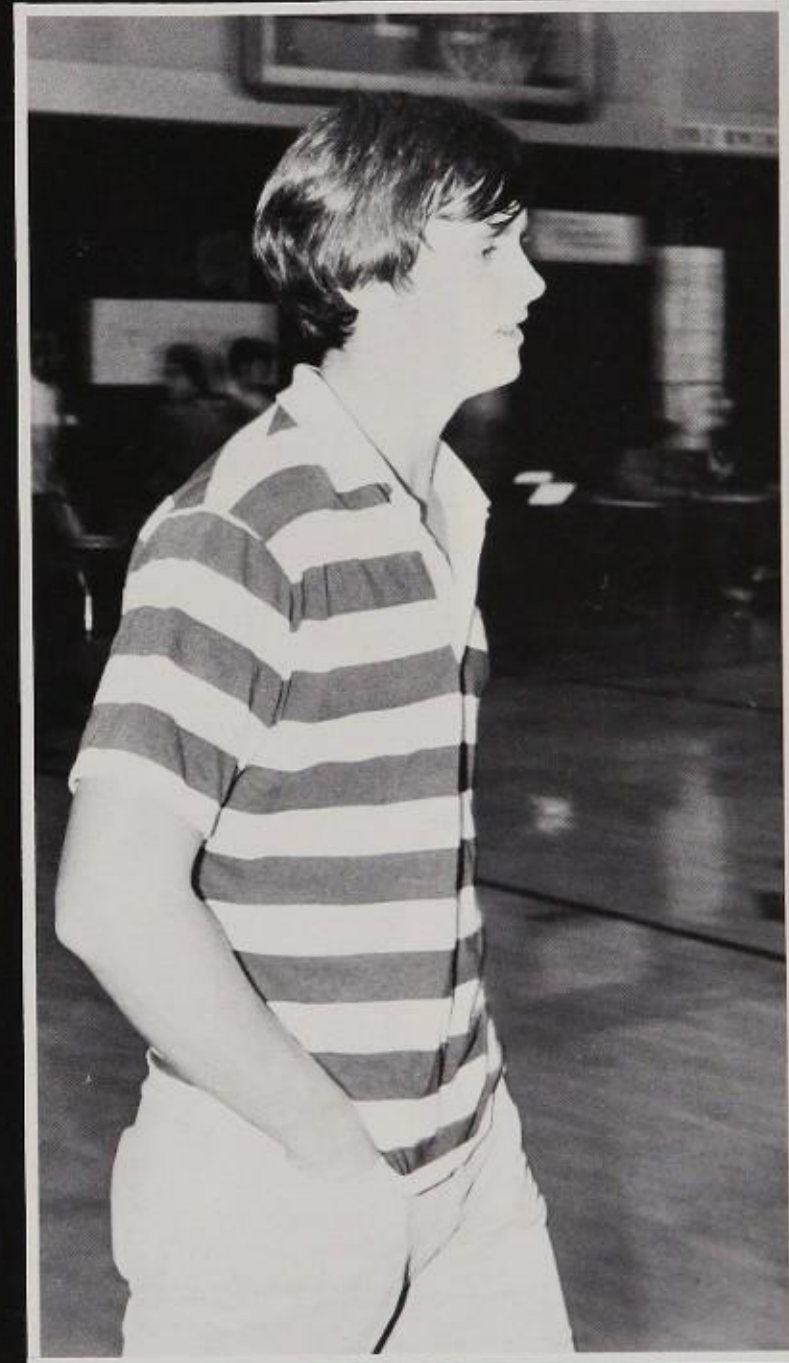

A desperate man in dire need.

Let's cruise the "EL."

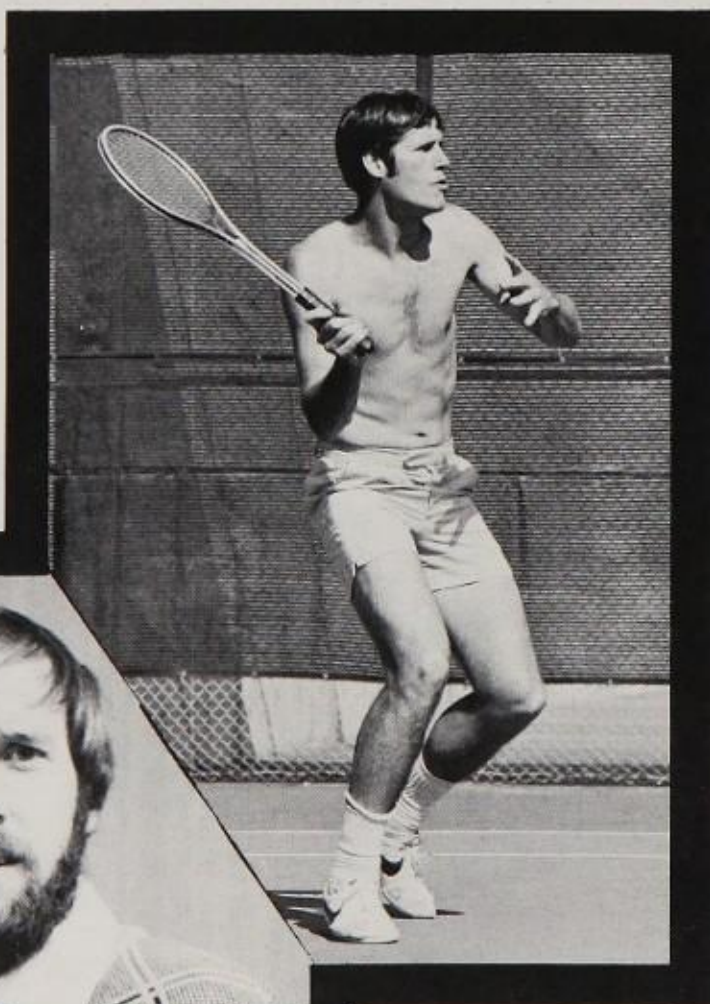

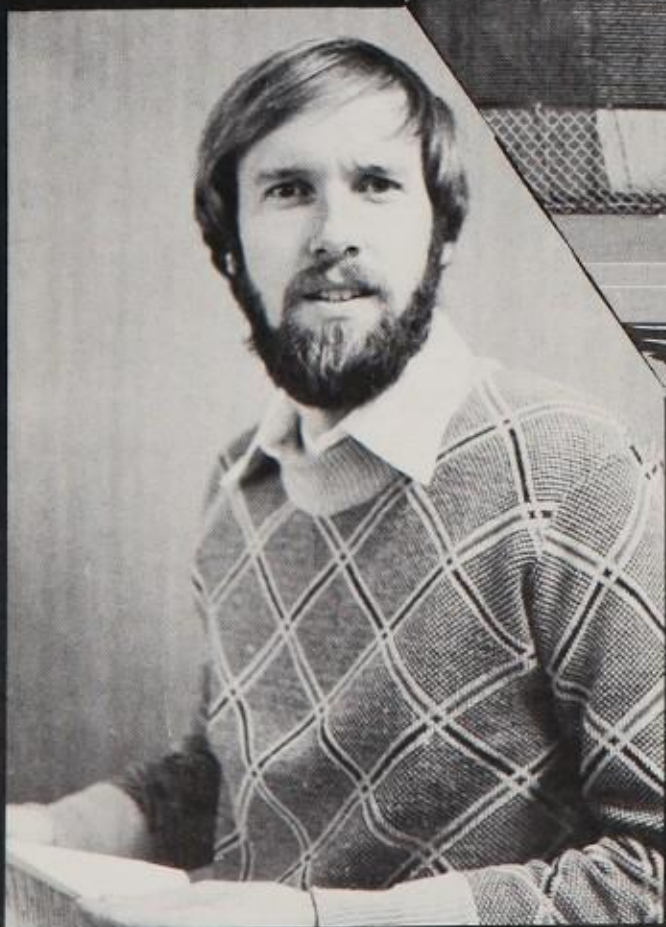

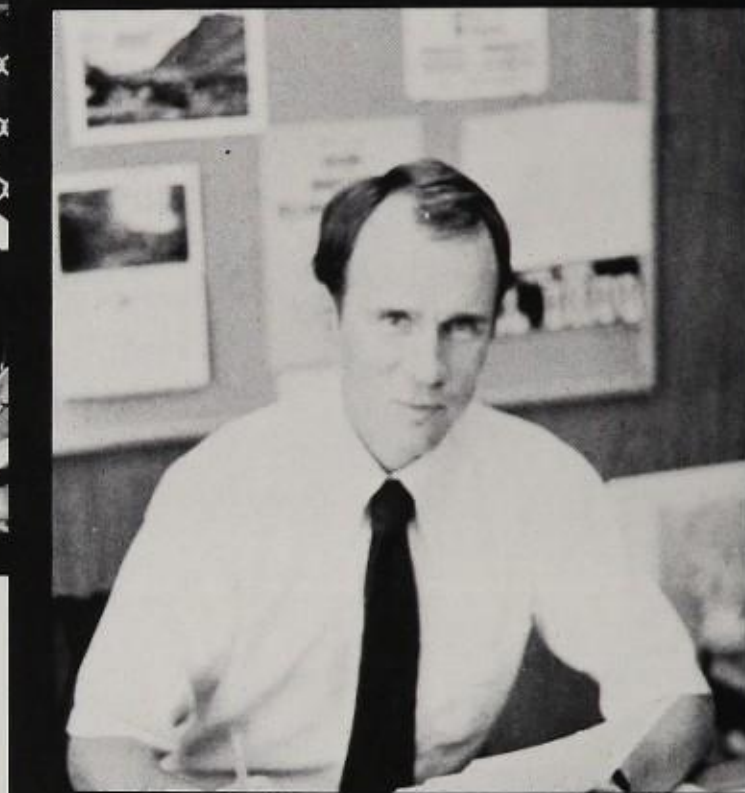

Can you guess the name of this anonymous Hollywood star?

"Say, did you hear the one about ...?"

"Mac" with a tennis racket? On the free throw line?

"Mutual of Serra did what?"

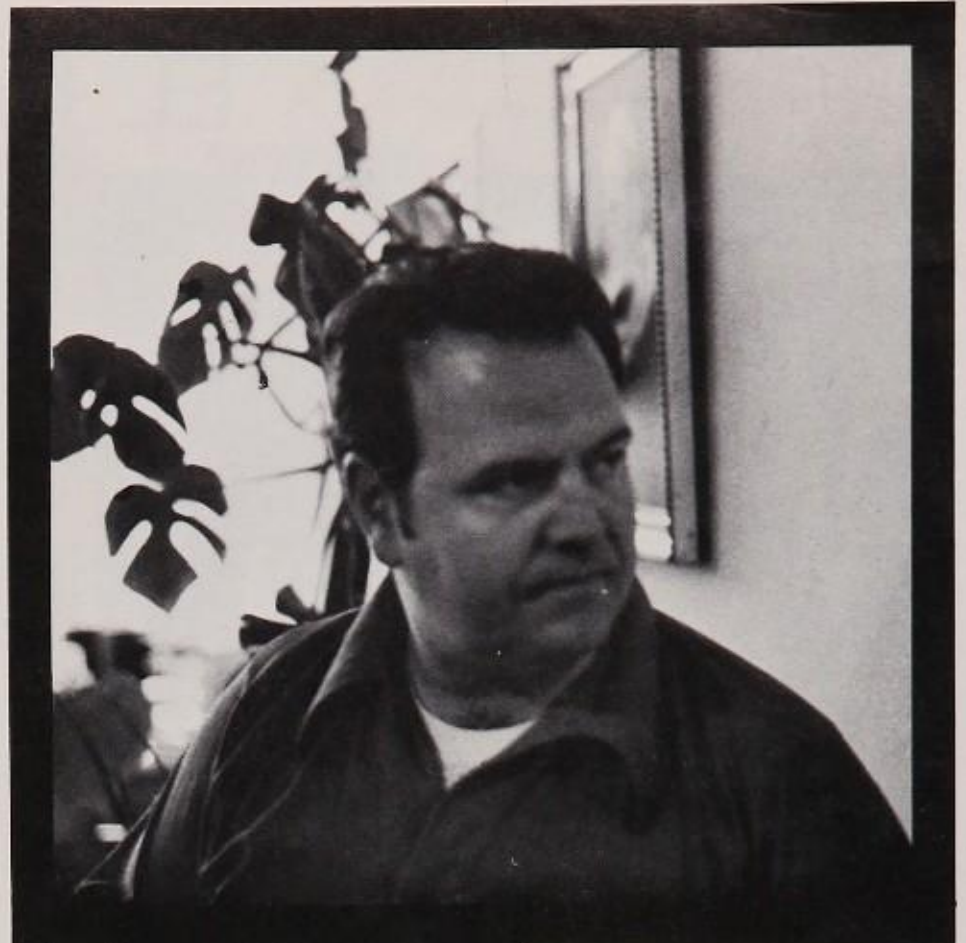

"You've got to be kidding. That's the poorest excuse for being late I've heard yet."

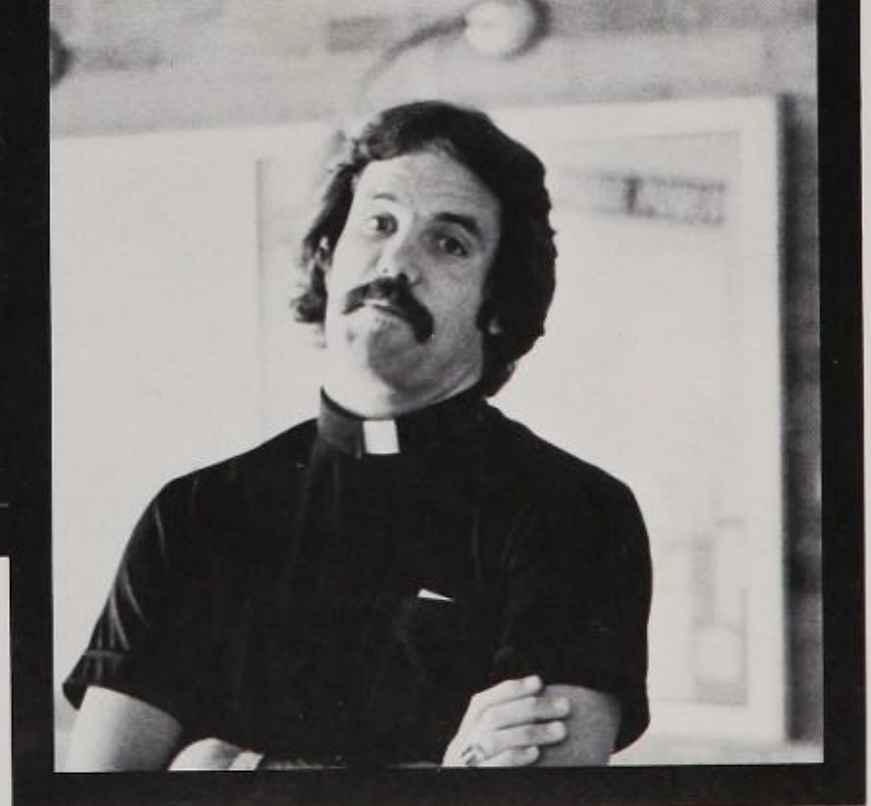

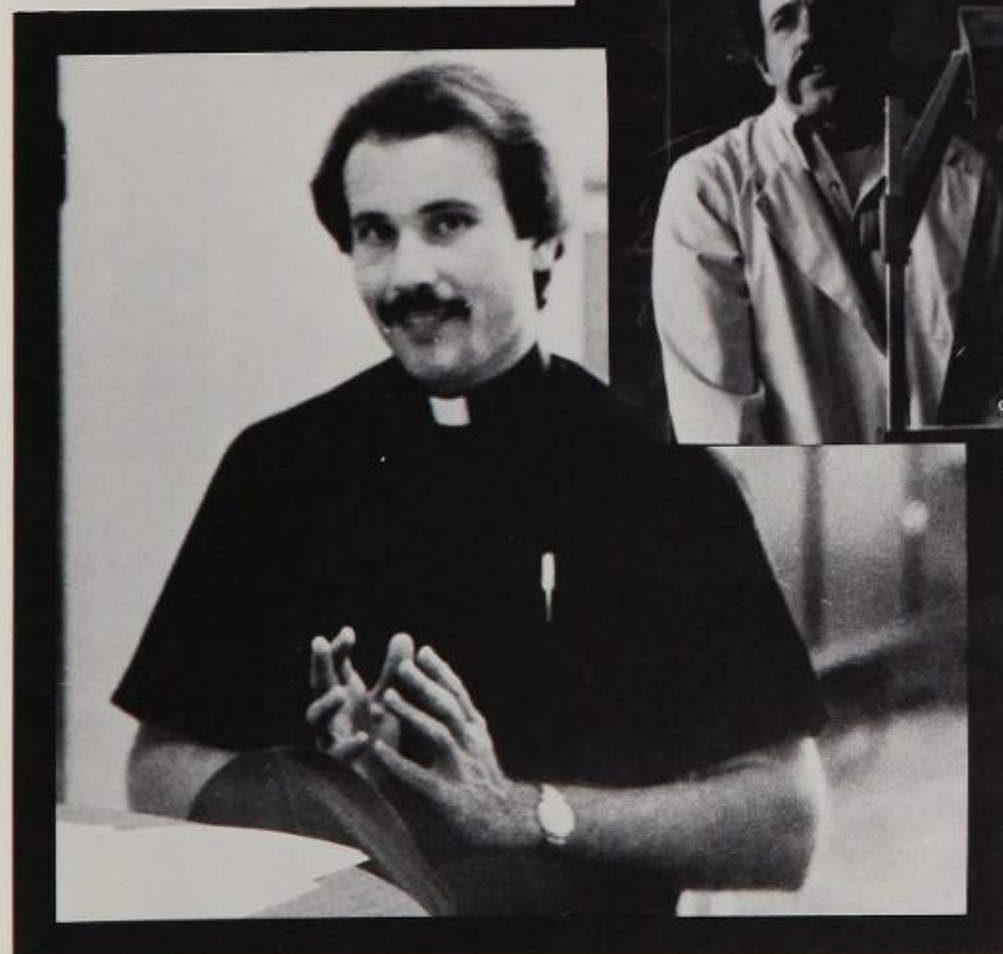

"No I won't tell you what was on the board."

"Say that again about the yearbook and I won't be responsible for my actions."

"Hey you in the back. Put down that sulfuric acid."

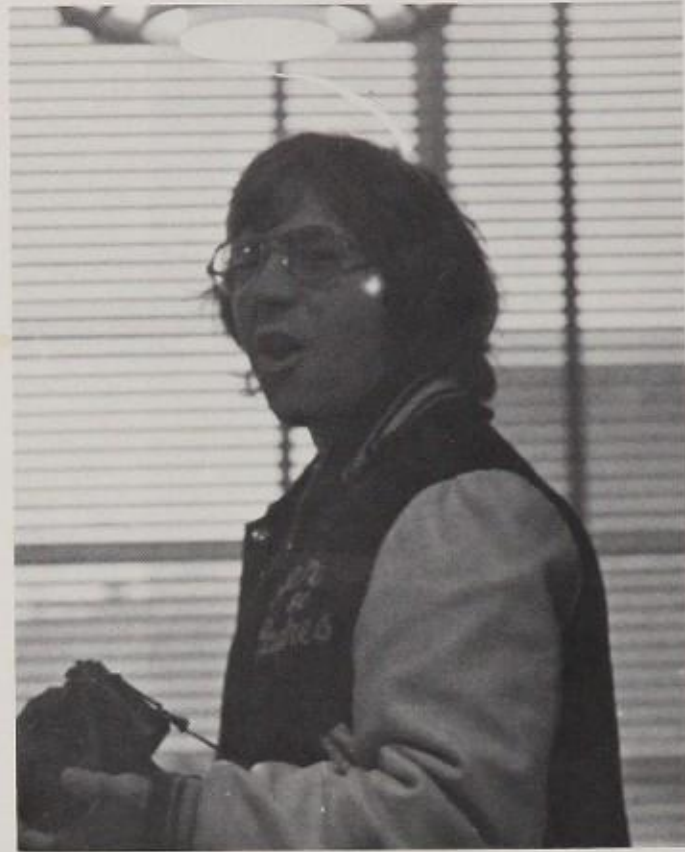

"What else is there to do in this Freshman Religion class."

# VARSITY CROSS COUNTRY

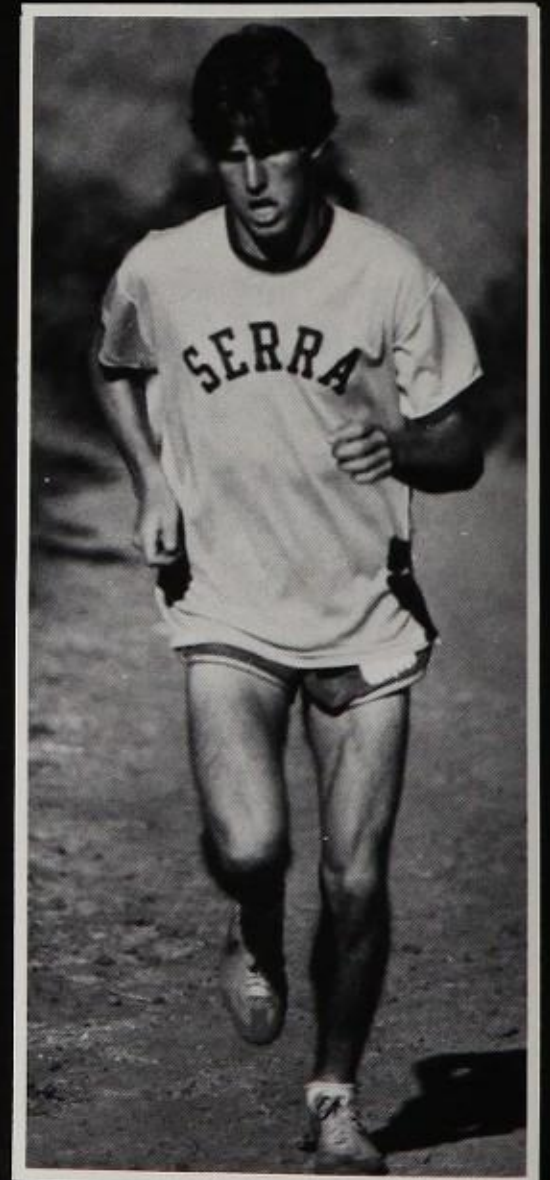

L-R: Mark Hearn, Mike Torre, John Jacobs, Tony Hermes, Fred Xuereb, Henry Tominaga, Tom Beach, Rich Fitzpatrick and Rob Delgadillo.

The Serra Pade varsity Cross Country team, led by senior Mark Hearn, ran to a disappointing finish of second in the league, fourth in the section and thirteenth in the region. The Blue and Gold were beaten by powerhouse Saint Francis. Seniors Fred Xuereb, Henry Tominaga, Tom Beach, Rich Fitzpatrick, Rob Delgadillo, and Tony Hermes ran for their last time on the team. On the team they made many memories, and helped Serra to build its name. Juniors Mike Torre, John Jacobs, and Tim Stanford will be running for Coach Fambrini next year, which may have many surprises for them. The ideas they learned, the memories, the spirit and pride will stay with them through their lives after they have left.

The State Pen.

On Thanksgiving Day, the wild-card SERRA Padres played the Hillsdale Knights in the CCS Region 1 playoffs. This was a rematch in which SERRA played a team that had defeated them in pre-season by a single point. The Padres were contained in the air and on the ground. Eric Redwood and Greg Funk hammered at the line all morning but to no avail. The passing combinations of quarterback Bill Chalkley, receiver Walt Lopez, and tight end Rich McGlennon were frustrated by the Knight's defense and the muddy field. The Padres emerged from the muddy field to a 14-0 defeat; the only time they were shut out this season. This gave the Padres very little to be thankful for on Thanksgiving Day.

# ACKNOWLEDGEMENTS

**DEADLINES!** The bane of every production unit. Without deadlines, where would we be? Hopefully in a state of sanity rather than in panic and feverish activity. Our deadlines were met only through the dedication and hard work of our staff, supplemented at the end by the generous efforts of some Senior members of our companion publication, the FRIAR; the EL PADRE staff acknowledges and deeply appreciates their assistance.

While many students had a hand in the initial planning, the production of this book fell to a group of Juniors who fortunately recognized the obligation abandoned by others of producing an annual that is a visual record for the graduates to take with them. The EL PADRE staff has been listed elsewhere, and without each and every one of them this yearbook simply would not exist. Certainly not alone, but chief among them is DAVID SERSEN. His unflagging energy, his patience, and, yes, his temper tantrums helped him cope with the frustrations of the no-shows, the lack of cooperation from many and the inevitable tranquility that follows a grand effort. May he recover soon and may his dedication hold out for one more year!

CONGRATULATIONS GRADUATES

BEST WISHES

FROM THE SERRA COMMUNITY

Dear Graduates:

My sincerest congratulations to you and your parents for completing four more years in your educational pursuits. Hopefully in the years to come you will look back upon these experiences at Serra and find them to be among the happiest of your school life. I know that those of you who have participated in the events and activities at Serra will have fond memories.

At present you are directing your thoughts toward what the future will hold for you. Some of you will continue your formal education; others will seek out full time employment. Each of you will be striving to become successful in whatever you are doing. In this regard, on behalf of the faculty and administration of Serra High School I want to wish you the best of luck. As you leave us take with you the words of Rudyard Kipling:

"If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowances for their doubting too;

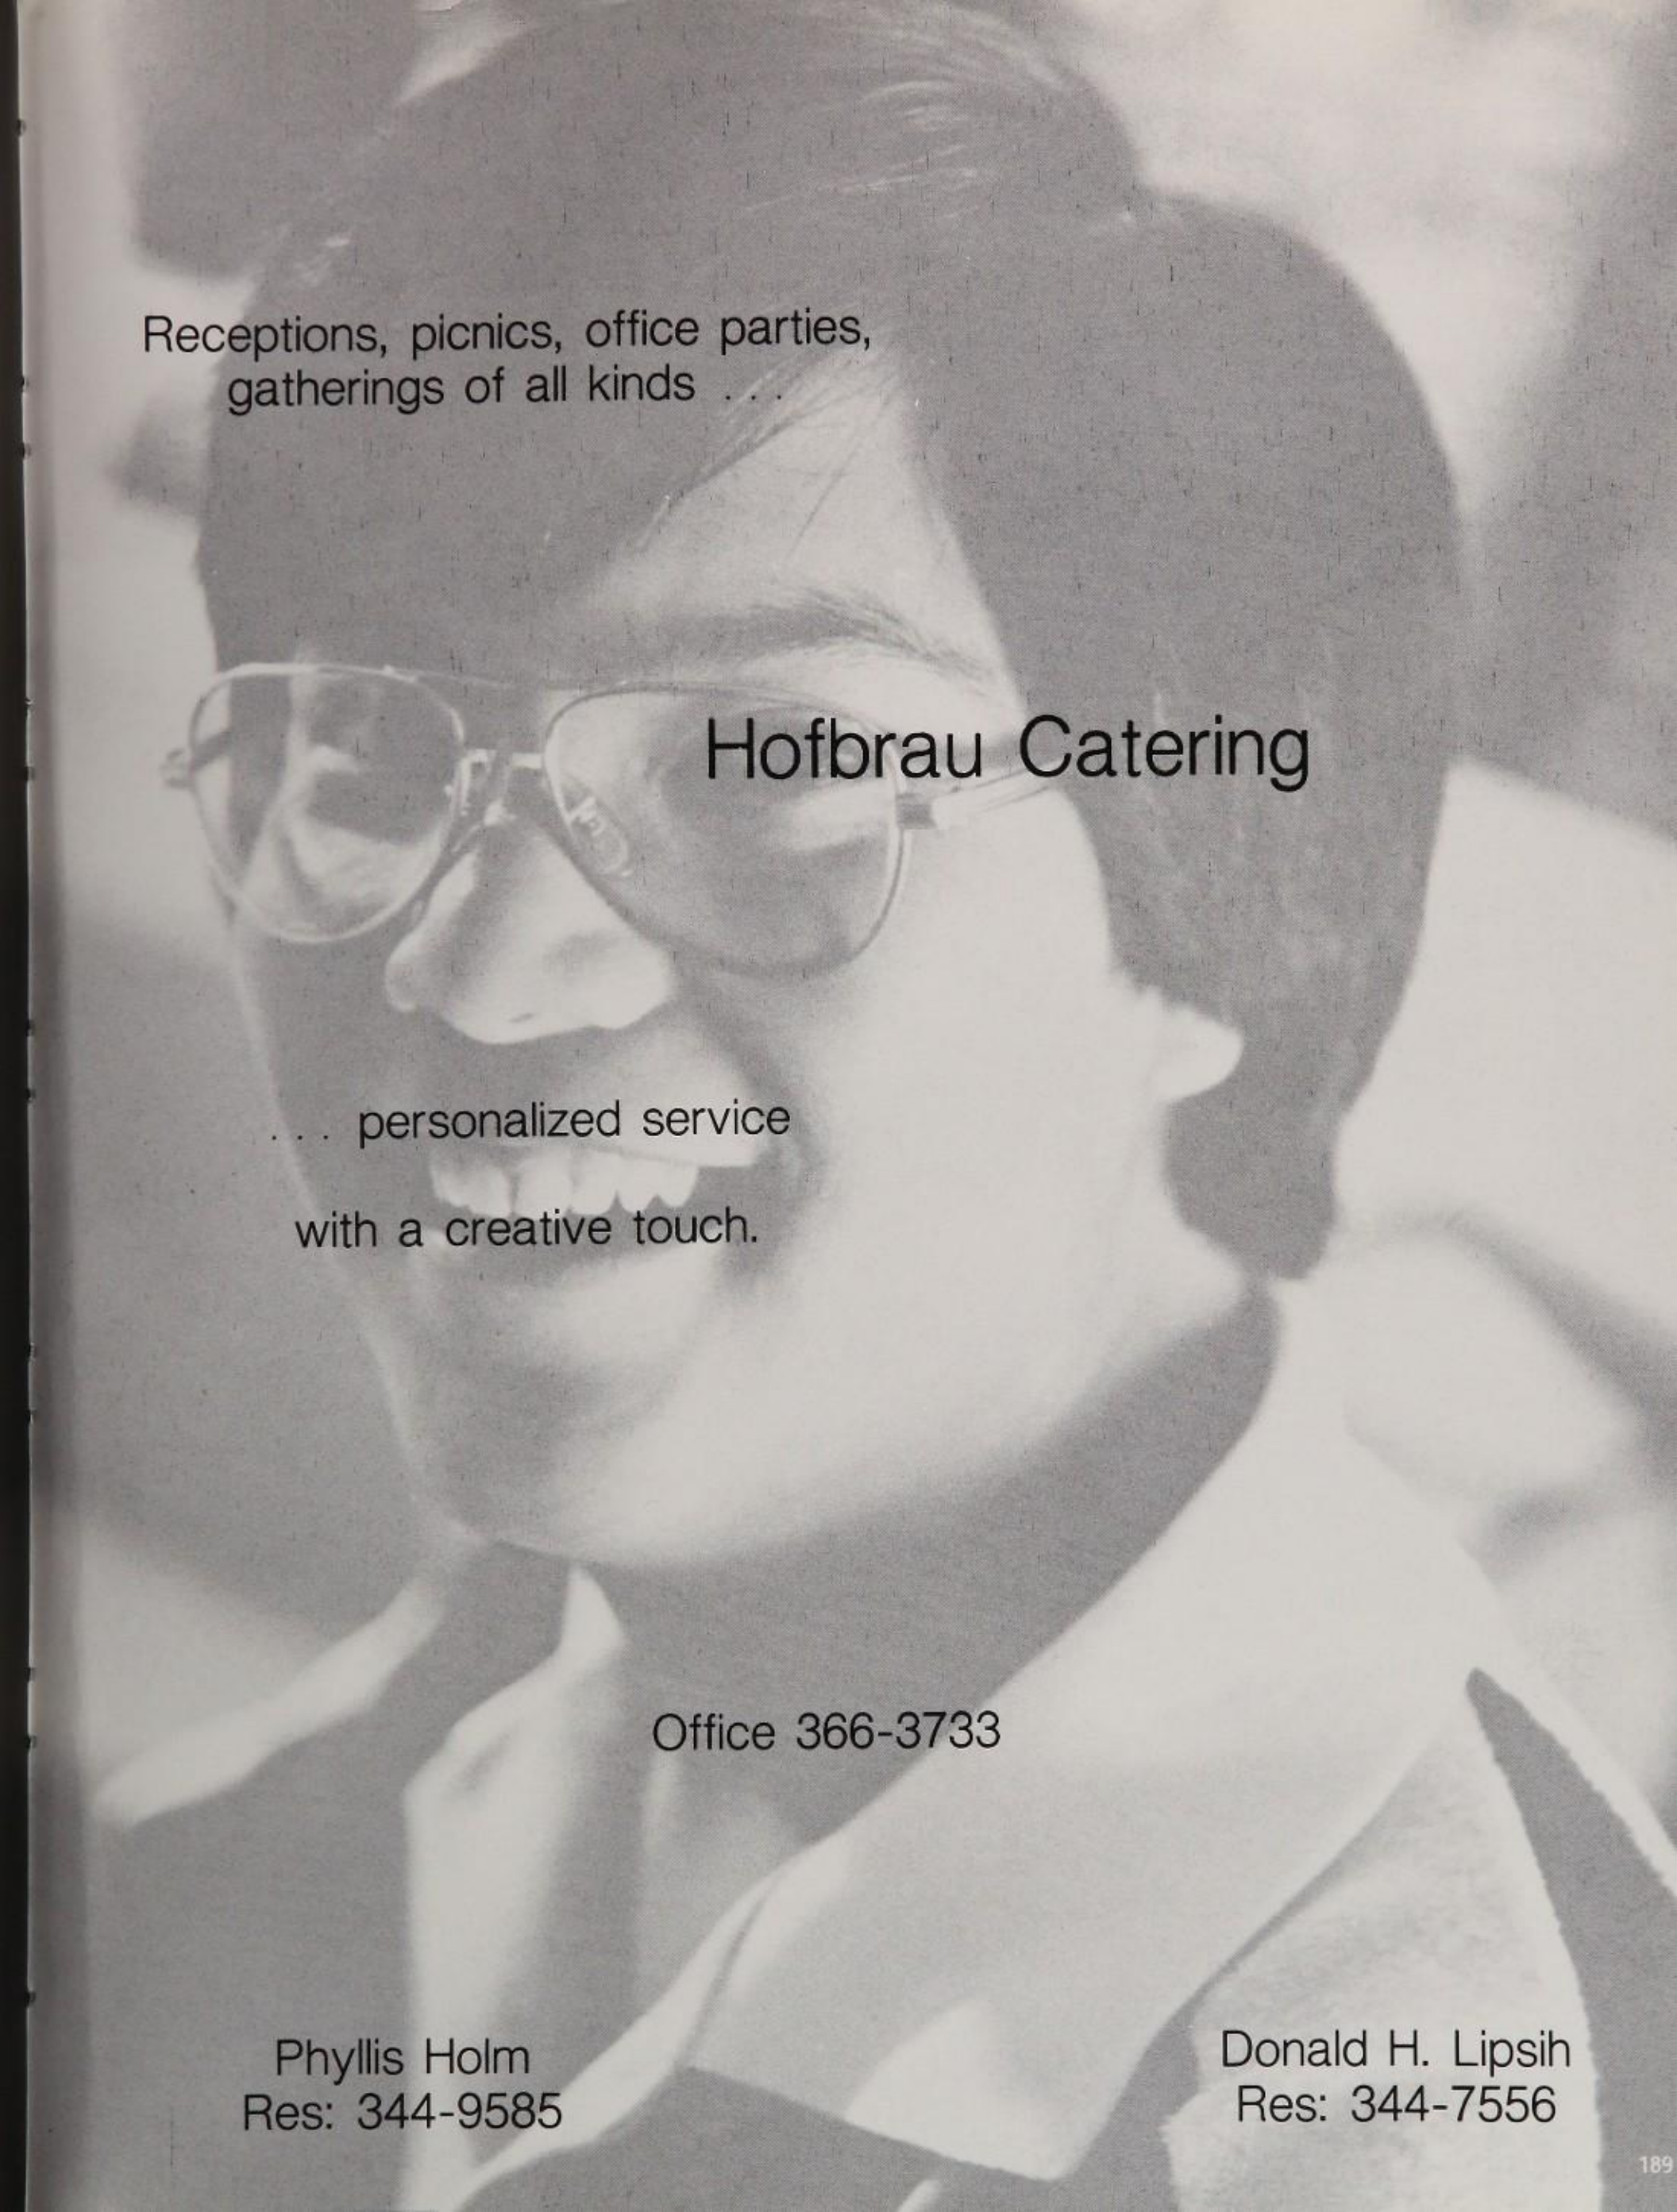

If you can fill the unforgiving minute  
With sixty seconds worth of distance run,  
Yours is the Earth and everything that's in it,  
And-which is more--you'll be a Man, my son!"

May this thought as well as the other lessons you have learned at Serra guide you in your journey through life. God bless you, your family, and all that you do.

Sincerely Yours,

Michael Peterson  
Principal
